

PRODUCT SPECIFICATIONS SHEET

Product name	Bobbi helmet S-size
Description	Chill multi-sport helmet for complete head protection
<p>This ABS hard-shell helmet features excellent toughness, protection and resistance to impact. The back of the helmet is cut high enough for unobstructed head & neck movement, complete with ponytail hair ports - your little girl's ponytail will not be spoiled throughout her journey when wearing Bobbi. Bobbi fits nice & snug, so it stays on in case your toddler or something else hits his or her head. The adjustable & integrated chinstrap & strap sliders keep the helmet squarely on your child's head. This multi-sport skater style helmet offers more coverage, is triple certified and achieves a perfect fit thanks to the different sweat absorbing & machine washable pads of varying thickness, with Velcro tabs. Bobbi has extreme airflow & breathability to noticeably increase the cooling effect inside the helmet. Engineered to help every little adventurer conquer every obstacle in every condition and climate, when biking, skating, riding or even skiing. ALL-IN-ONE - warmer inner pads & wooly earpads are added in the box for when the family puts on their skis. Bobbi is suitable for riding any type of bike, as well as in a trailer or bike seat. It's even compatible with your little one's goggles, Bobbi has everything you are looking for in a helmet ! Bobbi's open earpads are designed in such a way they give optimized protection, but your little one can still hear everything. That's if they want to hear you 😊</p>
