

PRODUCT SPECIFICATIONS SHEET	
	Product name Skatie
	Description Skateboard with customizable colored deck and tail
	<p>Skatie is made for younger children [and... everyone 😊] as it has an elongated wheelbase for better control and stability when taking the first steps in learning how to skate. Fitted to give children aged 3 and up the confidence they need. 3 colored decks included, the shell can be replaced whenever your kid feels like it ! Looks like a new toy each time you change the color - just insane ! You can ride Skatie with the tail / angle you prefer, 3 different colors and 3 different tail angles included. How good are you in maneuvering the board ? How high can you jump ? How quick can you turn ? How many tricks do you know ? These colorful tails help you flipping the board and lifting the trucks ! The smallest & cutest shortcakes can gently ride Skatie with the thinnest tail, it's just a matter of preference 😊 ABEC-7 bearings ensure you glide through the park and smoothly roll over anything. This pack includes it all: a customizable skateboard, 3 colored deck plates and 3 colored tail angles !!</p>

USPs	User information			Quality information
